

Breen Associates

We are specialist sports facilities advisors providing independent advice and support to clients in the sports and education sectors. Bob Breen has worked with national governing bodies, central and local government, sports clubs and community organisations.

From Concept to Completion

We understand the challenges you face and the fantastic potential opportunities you could unlock from ground grading upgrades to new stadium design and build including 3G pitch installations.

We will guide you through concept, needs analysis, feasibility & funding, design and planning, procurement, contract administration, construction, completion and maintenance.

To arrange an initial meeting, call Bob today on 07557 906898 | www.breen-associates.co.uk
